### Brief Introductory Statement

My name is Yuen Wah-chu, Celina. I studied F.1 to F.7 at YWGS in 1970's. I had worked as a manager for a multinational company with its headquarters in the U.S.A., and a public transport corporation in Hong Kong, for more than 10 years.

I am grateful for the opportunity to serve YWGS, given by YWGSAA, as a member in the School Council since 2002, and treasure the participation in different working committees including that for the school redevelopment project under the School Council. Moreover, I am thankful for being nominated in the alumni manager election for the Incorporated Management Committee of YWGS.
