I graduated from Ying Wa in the mid-1970s. Received tertiary education in Australia in the mid-1980's. Have been working as an academic majoring in urban and housing studies since then, and also became a professional urban planner in the late 2000's. Currently I am Professor and Head of the Department of Urban Planning and Design, and the Director of the Centre of Urban Studies and Urban Planning in the Faculty of Architecture of HKU. I have been serving on Ying Wa's School Council/Incorporated Management Committee since 1992, and is the Chairman of the School Redevelopment Steering Committee. It will be my honour to serve on IMC for another term.
